

# Evidence-Based Preventive Medicine at Your Fingertips

Want something that can help you put the U.S. Preventive Services Task Force recommendations into practice?

Look no further! *The 2007 Guide to Clinical Preventive Services* is now available—providing evidence-based recommendations for screening, counseling, and preventive medicine. Use the at-a-glance table to find recommended services for men, women, and children.

Order your copy today! Call the Agency for Healthcare Research and Quality Publications Clearinghouse at 1-800-358-9295 or send an e-mail to [ahrqpubs@ahrq.hhs.gov](mailto:ahrqpubs@ahrq.hhs.gov)

**The Guide to Clinical Preventive Services**
